

FS1202H

Display Chiller

Product Features

- Self-closing door
- Hinged alu-framed glass door
- Extra shelf space
- Internal vertical LED light
- Adjustable shelves
- Adjustable feet
- Ventilated cooling

2-door display chiller with hinged doors

The FS is our range of display chillers without a light canopy. This gives a little more interior height and makes for a cleaner looking cabinet. It is an excellent choice of double door display chiller when a light canopy for branding isn't required. With build quality and reliability as standard this style of cabinet has become a popular choice for convenience stores and shops. This model is standard with white exterior and interior. It comes with 10 adjustable white wire shelves - 5 in each side, 2 self-closing hinged glass doors and 2 vertical full length LED lights inside the door frame.
