Scoop ice cream freezer with canopy

The Tefcold IC-SCE + canopy range is an ideal way to add scooping ice cream sales to your business even if you are on an budget. This is one of our most popular ranges. A curved glass canopy with an attractive sloping display for scooping tubs means your customers get a good view of the ice cream in the unit. (5ltr napoli tubs with the option for 4ltr baskets if required). Flat glass sliding lids (with lock) allow access to the ice cream for serving and help insulate the unit when not in use. There is plenty of storage underneath the tub frames for extra stock. The units come on sturdy castors for easy movement and to allow cleaning underneath the unit. An excellent reliable unit. The range accepts plastic 5 litre napoli tubs (ones that fit inside 5ltr napoli pans). Stainless steel napoli pans are not required.
