

## TFW400-2F

### Wine Cooler

#### Product Features

- Frameless glass door
- 2 temperature zones with a max. of 10°C variation
- Energy efficient cooling system
- Low noise level
- LED interior light with switch
- Reversible door
- Curved stainless steel handle
- Wooden shelves
- High/low temperature alarm
- Presentation shelves available as option

### Black wine cooler with glass door for an exclusive display

Probably the best way to store and display large quantities of wine bottles in style. Temperature can be adjusted to suit either white or red wines allowing you to keep them at a perfect ready to serve temperature. Slide out wooden shelves allow easy selection of wine and intelligent design of the shelf maximises storage space. Low level LED give mood lighting inside the cabinet. Dual temperature unit is also available.

#### Measures and Content

|                    |    |                        |
|--------------------|----|------------------------|
| Gross / Net Weight | kg | 111 / 106              |
| Net Volume         | l  | 350                    |
| Gross Volume       | l  | 416                    |
| Gross / Net Volume | l  | 416 / 350              |
| Temperature Range  | °C | +5 to +10 / +10 to +18 |
| Climate Class      |    | 4                      |

#### Design and Material

|                       |                   |                         |
|-----------------------|-------------------|-------------------------|
| Exterior Finish       |                   | Black                   |
| Interior Finish       |                   | Black ABS               |
| No. of Doors          |                   | 1                       |
| Door type             |                   | hinged frameless door   |
| Door Number & Type    |                   | 1 hinged frameless door |
