- Temperature Class 3M1
- Adjustable shelves
- LED interior light with switch
- Digital controller and temperature display
- Internal stainless steel base
- Ventilated cooling
- Automatic defrost
- Castors and locking feet

Elegant black display cooler with canopy

The LGC-B display cooler is designed to integrate effortlessly into your retail or catering setting, adding a touch of elegance and quality with its stylish black finish. It features two vertical LED light strips on each door, which highlight the contents inside with an eye-catching contrast against the dark interior. Moreover, an LED illuminated canopy tops the unit, providing an outstanding opportunity for customized branding and promotional displays. The unit's interior base is manufactured from stainless steel and features curved corners to help with cleaning and hygiene. The carefully engineered refrigeration system is highly energy-efficient, reducing costs while maintaining the ideal temperature for product freshness. For added convenience, the unit includes castors, making it easy to move for cleaning and repositioning as needed.

Measures and Content

Total Display Area	m ²	1.38
Temperature Range	°C	+1 to +8
Climate Class		4
Gross / Net Weight	kg	210 / 190
Gross / Net Volume	l	1108 / 922
